Notes to the Financial Statements

For the Year Ended 30 June 2025

The financial report covers PTSD Resurrected Inc as an individual entity. PTSD Resurrected Inc is a not-for-profit Association, registered and domiciled in Australia.

The functional and presentation currency of PTSD Resurrected Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of the Management committee the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied. Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

The revenue recognition policies for the principal revenue streams of the Association are:

Grant Revenue

Grant revenue is recognised in the statement of profit and loss when the entity obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

When grant revenue is received whereby there are performance obligations in accordance with the associations delivery of the grant obligations any funds unspent or performance delivery not met are reported as income in advance.

Donations and Sponsorships

Donations and sponsorships are recognised as revenue when received.

Notes to the Financial Statements

For the Year Ended 30 June 2025

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Membership

Membership income is recognised over the period to which it relates, with any amounts received in advance recognised as income in advance

Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

(b) Income tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Motor Vehicles	20%

Notes to the Financial Statements

For the Year Ended 30 June 2025

2 Summary of Significant Accounting Policies

(d) Plant and equipment

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(e) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, bank and other loans and lease liabilities.

(f) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(g) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2025, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

3 Critical Accounting Estimates and Judgments

The Management committee make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PTSD RESURRECTED INC

Qualified Auditors Opinion

We have audited the financial report of the PTSD Resurrected Inc, which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss, statement of changes in equity, statement of cashflow, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In our opinion, except for the financial impact of the basis for qualified auditors opinion, the accompanying financial report presents fairly, in all material respects, the financial position of PTSD Resurrected Inc as at 30 June 2025 and its financial performance for the period then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of Division 60 of the *Australian Charities and not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* as (amended by the *Associations Incorporation and Other Legislation Amendment Act (QLD) 2020*) (the Act).

Basis for Unqualified Opinion

1. The receipt of cash and non-receipted income (donations, sponsorships) our audit work is limited to agreeing the amounts reported as banked income.
2. Prior year audit report was qualified this should be read in conjunction with comparative data.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Going Concern

The charity relies on income from donations, funding and sponsorships. If these income sources were to decline there is a risk that the charity will be unable to meet financial obligations. The Statement of Financial Position reports a material motor vehicle loans where the liability is in excess of the fair value of the motor vehicles.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Division 60 of the *Australian Charities and not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* as (amended by the *Associations Incorporation and Other Legislation Amendment Act (QLD) 2000*) (the Act). As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Key Audit Matter – Approval of Expenses and Validation of Charitable Deliverables

The charity's statement of profit and loss account reports significant expenses relating to travel, hospitality type costs. There is an underlying risk audit work would not validate if expenses contained any personal benefits in addition to charitable objectives. We have made recommendations to responsible persons to document the evaluation of staff time and outputs to validate the charity deliverables and how committee and staff are appraised on their outputs. We have made recommendations to the committee on improved financial reporting at board level that provides the additional level of control to support the detail and validation of the use of charity income to support the charitable objectives.

Key Audit Matter – Honorary Payments

The financial statements report material honorary payments to responsible persons as detailed in Note 14 to the financial statements. There is a risk to the charity given the value of the payments there is a risk of non compliance against employment or taxation laws. We have recommended to the responsible persons they review the nature of the honorary payments against the ACNC and other relevant legislation.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PTSD RESURRECTED INC

Key Audit Matter – Approval of Expenses and Validation of Charitable Deliverables

The charity's statement of profit and loss account reports significant expenses relating to wages, honorariums and travel, hospitality type costs, where on the face of the expense it is not always feasible to conclude the expense relates to charity objectives. In addition some payments related to reimbursements that were not validated by supporting supplier invoices or validation as to how the reimbursement was expensed. There is a risk that our audit would not identify charitable expenses that were not incurred directly for the charitable objectives. We have made recommendations to the committee on improved financial reporting at board level that provides the additional level of control to support the detail and validation of the use of charity income to support the charitable objectives.

Key Audit Matter – Governance

The key responsible persons of the charity are responsible for the delivery of the charity objectives at an operational and management level. We have recommended to the charity to consider benefits of independent committee members to strengthen governance and adherence to the ACNC Governance standards.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Division 60 of the *Australian Charities and not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* as (amended by the *Associations Incorporation and Other Legislation Amendment Act (QLD) 2000*)(the Act), and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting. As disclosed within the financial statements the association has ceased operations at reporting date. The committee is responsible for overseeing the association's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
